

Dear Friend,

God bless you and praise His Name !!!

Friend, despite the demonic activity globally surrounding us in these end-times, such as bad economy, health issues, lawlessness, poverty, etc., God is still on The Throne with all answers and cures. *"Many are the afflictions of the righteous: but the Lord delivers him out of them ALL.* (Ps. 34:19)

As many of you know, Kaycee and I have been passionate about impacting the nation of South Africa which has been open to us for quite some time now. We're excited to engage you concerning the salvation of a nation with the love of God and introducing quite a phenomena to South Africa.

This country, like many others, has it's people stalked with literal death by the AIDS/HIV pandemic; deaths—800-1000 people per day; elementary level school children getting addicted to the country's new drug—crystal meth; and rampant crime in desperate circumstances. However, we have a blessed Hope in our Lord and Savior Jesus Christ. God's word and power is still real to bring healing and deliverance.

In initiating dynamic and impacting activity, we have invited a highly trained healing ministry team, who is ecstatic about joining us on a short term Missions trip to Capetown. Six of us are immediately available to conduct 2 healing room seminars, simultaneously in two different cities of the Cape metro area. Ordained and proven instructors from the Charles Hunter healing ministries, www.cfhunter.org are ready to take on this God ordained task.

OUR GOALS:

1. To equip by intensely training believers across denominational boundaries, ethnic groups and cities, who is compassionate about administering healing and salvation.
2. To train them in how to facilitate their local church with a healing room and provide one on one ministry to local communities and city.
3. Impartation and anointing services after the seminar to mobilize these newly empowered churches.

With our sleeves already rolled up, while people are on death beds and dying, I appeal to you, your business, church or organization to help us meet our attached budget. Will you prayerfully consider your best support in aiding this vital task of literally bringing life and healing to a dying people?

Your donations are tax deductible and reports on events will be made available to you. Make checks payable to Lakewood Christian Center. The address is 3021 Blazing Lane, Highlands Ranch Co. 80126. In addition, contributions can be made online at www.newlifeglobalministries.org

Sincerely, Pastor Mike Fabe
