

GENERAL INFORMATION

Are you interested in being an active part of fulfilling the Great Commission? The New Life Global Ministries Field Ministry Internship will give you the tools and opportunities to experience first-hand what it could look like to be a part of seeing #NoPlaceLeft without the gospel. You will get to work alongside current field ministry personnel to learn about full-time disciple making.

This internship will take place in the community immediately surrounding our ministry headquarters in Inwood, WV. Our headquarters is strategically placed in West Virginia within a short drive of Virginia, Maryland, Pennsylvania, and Washington, DC. Most day-to-day activities will take place in the WV eastern panhandle.

GOALS

During this 10-week internship, NLGM Staff will seek to encourage, equip, and empower interns to be disciples who makes more multiplying disciples - here, there, and everywhere.
